

1. Announcement

For those of you that don't know, Irene and Brian Parker have decided to leave the YVIBC. We wish them both well for the future.

2. From your Chairman

With 2022 fast approaching, your committee want to take this opportunity to wish you a very Merry Christmas and a Happy and SAFE New Year. We also hope the remainder of 2021 goes well for each of you.

The memorial trophy is going well with the preliminary round and all of the first-round games completed. The competition will recommence in the New Year with the plate competition getting under way.

As more COVID problems arise, your committee will do everything they can to keep its members and volunteers safe and at the same time keep bowling on Tuesday mornings.

The dates that we decided to not bowl due to a national competition, will now be filled by the YVIBC, as the main club have been knocked out of the competition.

As a club we have an exciting year ahead, with new members learning to bowl, Frank Berry going to his first national competition and a large contingent going to Weston Super-mare for its annual open invitation singles competition.

The club also has a number of away friendlies organised for next year and we just hope that we can fulfil them and not be derailed by COVID again.

Chairman/Captain,
Maurice Perry.(Mo)

3. Welcome

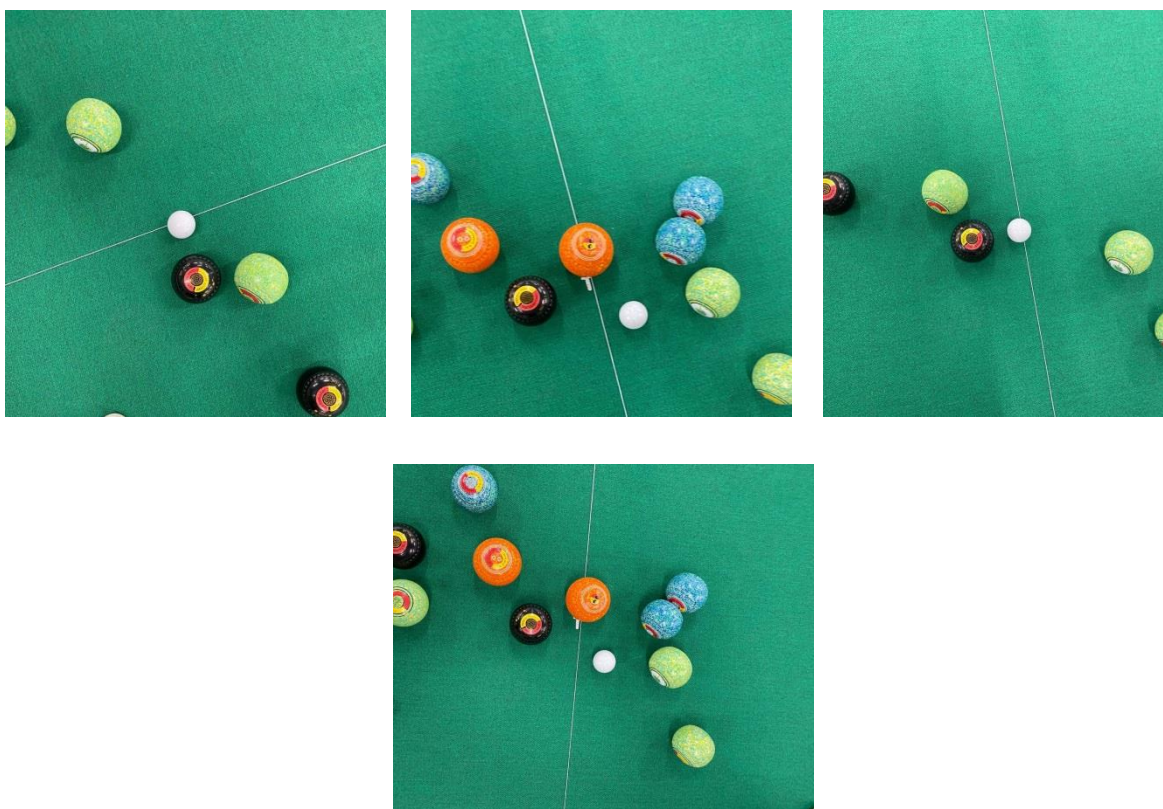

We would like to welcome new members; Eric Rendell and Trisha Evans to the club and also a thank you to Peter Mottram who has been helping out on Tuesday mornings.

4. Christmas Break

Tuesday 14th December will be the last session before Christmas and we will return to bowls on Tuesday 4th January 2022.

5. Photos

We thought it would be good to share from photos from the other morning when there were some particularly tight heads on Rink 2.

6. COVID-19 Update

With the Government issuing new guidance due to the Omicron variant of COVID-19, the English Indoor Bowling Association are recommending that clubs ask their members and visitors to wear a face covering when entering and moving around the venue. The face covering can be removed whilst you are playing bowls.
